

2005 CABERNET SAUVIGNON, BLEND No. 815 – *California*

This will be the third release of our 815 Cabernet, named in honor of our oldest daughter Lucy, born on August 15, 2003. We believe the 815 Cabernet and Lucy share a few traits; continue to thrive each year, sweet with bold overtones and always engaging!

The cooler temperatures during the 2005 harvest allowed for longer hang time on the vines, producing well structured and classic cabernet wines. The blend is unique since we make the wines from diverse vineyard sites, including high elevation rocky soil vineyards that produce concentrated wines as well as Napa Valley floor vineyards that produce wines with elegance and finesse. The color is purple, ruby red, with aromas of blueberry, cassis and mocha. The entry on the palette is rich and fruit forward, with jammy flavors, good structure, acidity, and sweet balanced tannins that leave an elegant finish.

Fruit:	100% Cabernet Sauvignon
Appellation:	Napa Valley, Lake County, and Lodi
Harvest Dates:	September 24 – 26th, October 6th, & 27th, 2005
