

JOEL GOTT

CABERNET SAUVIGNON

815

California

TASTING NOTES:

The Joel Gott 2009 815 Cabernet Sauvignon offers engaging and layered aromas of blackberry and dark plum with hints of spice, cedar and vanilla. The polished tannins and velvet texture lead to an elegant and long finish.

WINEGROWING NOTES:

We shop California's premier winegrowing regions including Napa, Lake County, Mendocino, Lodi and Sonoma for the 815 blend. The Cabernet Sauvignon from Napa is complex with great depth. Lake County fruit provides the wine with minerality and rich texture, while the Mendocino fruit supplies spice and bright red fruit character. The Lodi component shows dark fruit and soft texture and the Sonoma fruit also adds a touch of spice and fruit. The blend from these vineyards and regions results in a beautifully orchestrated wine.
