

2005 ZINFANDEL – California

In 2005, our California Zinfandel blend is sourced from vineyards in Napa, Lodi, Amador, and Sonoma. This is an expressive blend of classic, old zinfandel vineyards in the best grape-growing regions. Many of the vineyards are old, dry farmed, gnarly head-trained vines which produce concentrated fruit. This wine is dark ruby red color with supple and mouth filling tannins that lend to structure, depth, and an elegant balance. Classic currant, plum and sweet oak aromas lead to juicy black fruit, cherry, and spicy flavors with a long sweet and juicy finish.
